\* An assumed business name is any name "other than the true and real name, or names, of the persons or persons, conducting or transacting such business," Idaho Code 53-501. However, words describing the business, together with the person's last name (e.g. Smith Outfitter), generally do not constitute an assumed business name. No person is to conduct business using an assumed business name unless that name is filed with the county recorder where the business is being conducted. Operating a business without filing the assumed business name is a misdemeanor, Idaho Code 53-507, and the business cannot initiate a lawsuit, Idaho Code 53-508. The Board cannot indicate an assumed business name on a license unless a copy of the assumed business name certificate is filed with this application.
