

(C) Worded Operating Area boundary requested. (If more space is required, use separate sheet)

If the operating area description of each of the activities you are applying for has not appeared on a previous license, you must send a complete standard Forest Service and/or Bureau of Land Management map at a scale at least 3/8" to the mile that outlines or otherwise portrays the area(s) and/or activities applied for together with a worded description using natural boundaries (i.e.; rivers, creeks, ridges) where possible of the area(s), including the Section, Township, and Range of the beginning point of said area(s) and/or activities. A Map must also accompany this application. See guidelines for instructions.

(Specify Fish and Game Unit(s) applied for in which proposed activities will be conducted _____.)

REMEMBER:

1. To enclose an updated Operating Plan (Form OG-7)
2. Enclose an updated Financial Statement (Form OG-8)
3. You must enclose the appropriate amendment fee (\$10.00 for minor or \$75.00 for major) along with all necessary forms.
