CONSIDERATIONS	YES	NO	UNK
Is the area under consideration intermingled with public or private lands where the proposed outfitting operations are likely to lead to conflict? Would additional outfitted hunters create substantive conflicts between outfitted and non-outfitted hunters? Describe the type of conflict that is likely to occur and any mitigative measures to reduce the conflict.			

*Comments/Recommendations:*

Is the area meeting state wildlife management objectives?			
---	--	--	--

*Comments/Recommendations*

Would the proposed amount of additional outfitted harvest result in not achieving management objectives?			
--	--	--	--

*Comments/Recommendations:*

Has the applicant applied for authorization from IDFG to provide outfitted services on lands administered by IDFG?			
--	--	--	--

*Comments/Recommendations:*

Are there existing hunting, fishing and trapping public access uses that IOGLB should consider? If so, what are they?			
---	--	--	--

*Comments/Recommendations:*

Will the proposed outfitting opportunity limit public access to public lands or waters?			
---	--	--	--

*Comments/Recommendations:*

Are anglers or hunters in the area currently satisfied with their experience? Explain how the proposed outfitter operation may affect this, if at all. Provide reference to what information was used to inform the response.			
---	--	--	--

*Comments/Recommendations:*

Could the outfitted activity result in increased depredations on private land in the immediate area?			
--	--	--	--

*Comments/Recommendations:*

Would licensing an outfitter in the area create any special enforcement considerations, either positive or negative, for IDFG			
---	--	--	--

---

*Comments/Recommendations:*

Are wildlife, fish, or some other critical resources a concern that warrants discouraging human activity during certain times of the year, but not others?			
--	--	--	--

*Comments/Recommendations:*

Is the proposed area in a winter range where human presence may be detrimental to wildlife populations?			
---	--	--	--

*Comments/Recommendations:*

Are there other matters not listed above that should be considered by the Board?			
--	--	--	--

*Comments/Recommendations:*
