

MINUTES OF MEETING  
STATE OF IDAHO  
OUTFITTER AND GUIDE LICENSE BOARD  
Monday, August 28, 1961  
Lewis and Clark Hotel  
Lewiston, Idaho

PRESENT: Jay Taylor and Tillman McCurdy

Since Board Member Tice was unable to attend due to service on the Salmon River forest fires, the regular meeting business was postponed and license applicants were admitted for interview with the Board.

"Shorts" Miller of Clarkston, Washington, who operates on the Snake River, came before the Board members present for further explanation and definition of the Law relative to his need for a license. Since he has several camp sites on the Idaho side of the Snake River, he definitely comes under the extent of our licensing law and was so advised. He requested application and bond forms and a copy of the Law and was supplied with same.

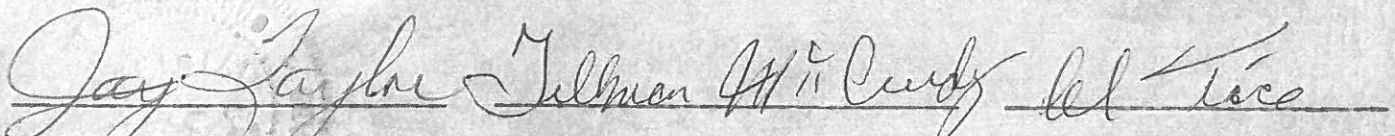

Wallace York of Elk City, with his wife, also came before the Board to explain his side of a complaint against him. It was felt by the board members present that the complaintant was not fully justified in claims set forth in his letters (all in W. B. York's file).

There were other licensees and license applicants who had routine questions which were answered and/or supplied with the requested forms.

The next meeting, pending approval by Tice, was set for Boise September 8, 1961. Travel was authorized for McCurdy by West Coast Airlines, Taylor and Tice will drive.

No regular business was handled at this meeting. The meeting was adjourned at 4:30 pm.

The hours of this meeting were from 12:30 to 4:30 pm.

  
Jay Taylor, Chairman                      Tillman McCurdy, Member                      Al Tice, Member
