

MINUTES OF THE MEETING
STATE OF IDAHO
OUTFITTERS AND GUIDES LICENSE BOARD
Monday, September 24, 1962
Landmark Forest Service Landing Field

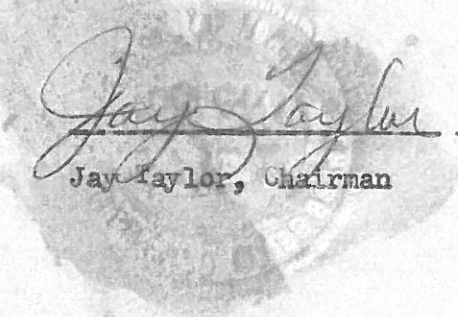

PRESENT: Al Tice, Jay Taylor

By pre-arrangement, Tice and Taylor met to go over pending correspondence and to evaluate reports, rumors, etc., relative to various operations. It was decided that these two members of the Board would on this date visit the Big Creek area. On this trip two endeavors were made to contact Gillihan relative to reported alleged use of non-licensed guides. These attempts were unsuccessful. However, word was left with the Big Creek Forest Ranger that the Board had been looking for Gillihan, hoping that he would make an attempt to contact the Board.

In Chamberlain Basin the camps of C. C. Horn and Matt Vice were visited. At C. C. Horn's a discussion occurred concerning the Guide applications of Bass and Burley, with Mrs. Horn.

Upon returning to Landmark, it was sincerely felt by the Board members, Tice and Taylor, that a great deal of good had been done by contacting these various camps, as well as the trip of September 16 into the Flying "B". It was strongly felt that more such visitations should be made by the Board and this was set up for discussion at the next Board meeting.

By note from McCurdy it was felt that Friday, October 26 would be a good time for the next meeting. With this tentative date set, the meeting was adjourned.
