

Meeting Of
STATE OF IDAHO OUTFITTERS AND GUIDES
License Board
Capitol Building
October 14, 1963

PRESENT:

Al Tice, Member
Tillman McCurdy, Member
Michael Southcombe, Deputy Attorney General
Board Secretary

The meeting was opened at 1:00 p.m. in the office of the Deputy Attorney General.

The subject of several requests for the same big game hunting area was discussed. It was suggested that in the coming licensing period the outfitters be notified that after a certain date if the license application has not been received by the Board area priority will cease (date to be set) and the area can be issued to a new operator.

The Buker - Gilman area controversy was discussed. There is some confusion as to who is applying for the license, John Buker, Sr. or Jr. The secretary was directed to request this information before further action could be taken.

An affidavit form to be patterned after for the Board use will be supplied by Mr. Southcombe for use in cases of complaints, rather than depending on the complainant to follow up his complaint with notarized information.

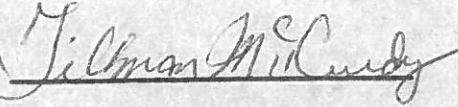

Information has been received that Dean Burley was guiding before season.

The licenses, which had been prepared before the meeting, were studied by the Board and the ones they approved were signed for issuance. The secretary was directed for the action to take on other applications.

The Board members had to return to their operations. The meeting adjourned at 5:30 p.m.
