

BOARD MEETING JUNE 29,30, 1967  
BOISE

Members present: Al Tice, Chairman  
Martin Capps

James Baughman

Mr. Johnson was unable to attend because of a previous committment for the Fish & Game Department.

The purpose of the meeting was to review renewal applications for licenses.

A motion was made by Mr. Capps and seconded by Mr. Baughman authorizing the secretary to obtain additional secretarial services as required to process renewal applications as they come in, remuneration to be \$11.00 per day on independent contract basis. Motion approved.

Chester Maynard and Floyd Hanson appeared to explain their partnership agreement and requested outfitter licenses for each. They submitted their applications.

Applications were reviewed until adjournment at 6 p.m.

The meeting reconvened the following day at 9 a.m.

Steve Jordan appeared to request a big game hunting area. He wished to apply for the area around Lowman formerly licensed to Paul Henry. Mr. Henry had been in the office previously and had submitted his application for a guide license to work for Sawtooth Development Co., stating that he did not wish to retain the area where he had been outfitting. Therefor the Board saw no reason why such an application would not be approved.
