

BOARD MEETING JULY 11, 1967
BOISE

Members present: Al Tice, Chairman
Martin Capps
James Baughman
Arlie Johnson

Jim Renshaw was unable to be present because of his haying operations.

The meeting was called to order at 1 p.m.

The first order of business was the renewal of the contract with Mike Wilkins to act as investigator for the Board. It was moved by Mr. Johnson and seconded by Mr. Capps that Mike Wilkins' contract be renewed and that he be explicitly instructed that the Board expects him to take appropriate action to bring violators of the Idaho Outfitters & Guides Act under the purview of the law. A letter was dictated to this effect. The motion was approved unanimously.

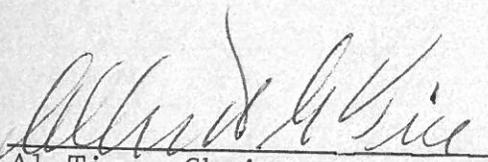

A letter was dictated to Mr. Franklin Wehr in regard to a complaint against the Diamond D Ranch. The Board feels that Mr. Demorest has made a reasonable adjustment in the matter, but Mr. Wehr is entitled to file against his bond if he is not satisfied.

Area descriptions were reviewed and clarified for Edna Jackson, Guy Lamb, Bud Grotzinger, and Dave Giles. A description was worked out for Ted Byers to include some additional area which he had requested.

After consultation with attorney Steve Boller the Board determined that an outfitter license will be required to be licensed for a big game hunting area.

The remainder of the afternoon was spent in reviewing applications for license.

The meeting adjourned at 6 p.m.
