

IDAHO OUTFITTERS AND GUIDES BOARD

BOISE, IDAHO

July 22,23,24, 1969

Members Present: H. W. Guth, Jim Renshaw, James Baughman.

The meeting convened at 10:00 a.m. with Mr. Baughman acting as chairman.

The purpose of the meeting was to review license applications.

Mr. Baughman made a motion that the description of big game areas be eliminated from the back of outfitter licenses when there is no change from the previous year; that the back of the license should have a statement---"Area as per description on 1968-69 license"---the motion was seconded and passed unanimously.

Mr. Wayne McGregor, attorney for Charles E. (Bud) Grotzinger requested a new date be set for a hearing due to the fact that he was out of the country and unable to represent Mr. Grotzinger on June 30, 1969. On the advice of attorney, George Detweiler, the Board ordered that the revocation of the outfitter license of Mr. Grotzinger be set aside and a new hearing set for August 13, 1969.

The meeting recessed until 1:00 p.m.

Dan Rotthoff came in to see about his outfitters license application, having purchased Sterling Alley's outfitter operation. The application was reviewed and approved by the Board.

The guide license application of Joe Adams was reviewed. He is to be advised that he should have an outfitter license, or be employed by an outfitter.

Mr. Max Bitton's application for 2 separate areas in the vicinity of Stanley Basin was reviewed. Since he has had no experience as an outfitter and only 1 year as a guide, the Board decided to limit him to 1 area and to ask him to choose which of the 2 areas he would prefer.

Oswald Schmidt's application for a boat guide license "at large" was denied. The Board will reconsider his application if signed by a licensed boat outfitter.

The increasing number of guides operating more or less independently at Sun Valley was discussed and tabled for action at a later time.

Lester Grasser's request for his license to be issued jointly to him and his partner was denied as only 1 person can operate under a single license.

Recessed at 5:30 p.m. till 9:00 a.m. July 23, 1969

The meeting reconvened at 9:00 a.m. July 23.

Members present: Rex Lanham. Chairman, James Baughman, H. W. Guthr, Jim Renshaw

Mr. Louis Elliott of American River Touring Assn. came in for additional boat guide licenses. The Board discussed with him the qualifications and experience which may be required to obtain boat permits for Idaho's hazardous rivers. He was in agreement with the Board that certain standards should be set and that new applicants should serve an apprenticeship before receiving a boatman's license.

The following applications were reviewed and approved:

Transfer of a portion of the area of D. C. Hughes to Reynold Swenson.

Transfer of W. Fk. Rapid River and Hazard Creek from Chester Maynard and Floyd Hanson to Bruce Henderson.

Transfer of portion of Unit 76 from Dave Giles to Lee Bridges.

Open area in vicinity of Council added to Leonard L. Green's license for Elk and deer; area is within the area licensed to C. J. Prock for cougar and bear only.

Transfer of area from Al Reilly to Ben L. Smith.

The small area previously licensed to Robert L. Griffiths was divided among Ben L. Smith, Moose Creek Ranch Co. and Selway Lodge. Mr. Griffiths sold his property to the U. S. Forest Service.

Recessed for lunch until 1:00 p.m.

Mr. Jim Taylor and attorney, Homer Martin, appeared to discuss a complaint concerning his services. They read a number of testimonials from clients praising his services. He was asked for names and addresses of all clients for the 1968 season so the Board may get other opinions of his services. He was advised that he must pay the late filing fee as his application was not filed until July 7, 1969. Mr. Taylor's application was tabled until further information is received.

Request of Richard L. Norris for additional area was denied. The Loon Creek area is licensed to Dr. Hatch and the Pahsimeroi area has been applied for by a number of new applicants and the Board is attempting to work out area allocations with these.

Transfer of area from Bert Whipple to Dale Ney, Wagon Hammer Springs Outfitters approved.

Transfer of area of Lois Espy to Jack Nygaard, her son-in-law, approved. His request for additional area at Mocus Point was denied, but may be reviewed later, depending on the license status of Norman Thomas.

Paul Filer's application was approved for the small area on Jumbo Creek which would bring his line up to meet Ted Byer's area.

Transfer of area from C. E. Grotzinger to Ludwig Konrad d/b/a/ Double K Outfitters, approved.

Arnold's Oswald's application for additional area was denied as the area is already licensed. License is to cover the area as agreed at the meeting in Grangeville, in May, 1968.

Transfer of the area of Guy Lamb to H. H. Hepburn approved.

Transfer of White Water Ranch area from Jim Kusler to Lester West approved.

The Board feels that this small area should be used in conjunction with an adjacent area. The area is too small for a successful operation which leads to trespassing on neighboring outfitters and the transfer to a new operator every year or so. This continual turnover is undesirable and the Board feels it should be discouraged. A letter is to be written to Mr. West, expressing these views of the Board and informing him that a transfer by him in the future to a new outfitter might not be approved.

Transfer of the James Ranch area to Idaho Vacations, Inc. was tabled as it is presently under lease to Glenn Schubert, according to a contract on file with the Board.
