

IDAHO OUTFITTERS AND GUIDES BOARD

February 12-13, 1970, Boise, Idaho

Board members present: Rex Lanham, chairman, James F. Baughman, Jim Renshaw, H. W. Guth, R. J. Holmes.

The meeting convened at 9:00 a.m.

Max Walker appeared to request an area on the Snake River in the vicinity of Johnson Bar. He has permission to hunt on deeded land there and would like to work with a boatman on the Snake River. He was asked to discuss it with the four boatmen who are presently licensed to hunt along the river, to determine if they would object. He also said he had been asked by Floyd Harvey to discuss the advertising of the Snake River boatmen. Mr. Harvey feels that some of them do not go up the river as far as Hells Canyon but they advertise their trips as Hells Canyon trips.

Lynn Davis and George Redington appeared to find out about changing their licenses to a corporation.

Recessed until 1:30 p.m. for lunch.

John Buker and Verschuur and Fouts are to be contacted to find out if they have settled their area dispute.

Changes in the law were discussed.

Recessed until 9:00 a.m. on February 13, 1970.

Representatives of Blue Cross and Continental Life and Accident explained what their program offers and how the members of the Board could obtain the benefits. Retirement benefits for the Board members were discussed.

Licenses were approved for John Dorsey and Wilderness Encounters, Inc.
