

OUTFITTERS AND GUIDES BOARD MEETING

Boise, Idaho

September 19, 1974

The meeting was called to review applications for guide licenses and to take care of any other business which might come before it.

Members present were Rex Lanham, Chairman, James Baughman and R. J. Holmes. Jim Renshaw was not able to be present because of an emergency in the family. Lon Jarvis was unable to attend.

Mr. Ken Strickler telephoned to say he would accede to the request of Robert Merrick to use his W. Fk. Camas Creek area if the board approves. Mr. Holmes moved that Mr. Merrick be allowed to hunt the W. Fk. Camas Creek during the 1974 season. Seconded by Baughman, motion carried.

Applications were reviewed. The applications of Dean R. Manes and Frederick Cushing were denied because of game law violations pursuant to 36-5409c for the reason given in 36-5413-6, Idaho Code.

Minutes of previous meetings were read and a motion was made by Baughman to approve as read, seconded by Lanham and motion carried.

The application of Dave Burk was reviewed. Since he had not replied to our request for further information sent on August 21, it was decided to ask Mr. Wilkins to investigate his activities.

Correspondence was reviewed and answered as needed.

Licenses approved by telephone since the last meeting were confirmed and are included in the list of licenses issued or denied which follows as a part of these minutes.

The meeting adjourned at 4:30 p.m.
