TITLE 36 FISH AND GAME CHAPTER 21 OUTFITTERS AND GUIDES

36-2101. **DECLARATION OF POLICY.** The natural resources of the state of Idaho are an invaluable asset to every community in which they abound. Every year, in rapidly increasing numbers, the inhabitants of the state of Idaho and nonresidents are enjoying the benefits of Idaho's recreational opportunities. The tourist trade is of vital importance to the state of Idaho, and the recreational value of Idaho's natural resources is such that the number of persons who are each year participating in their enjoyment is steadily increasing. The intent of this legislation is to promote and encourage residents and nonresidents alike to participate in the enjoyment and use of the deserts, mountains, rivers, streams, lakes, reservoirs and other natural resources of Idaho, and the fish and game therein, and to that end to regulate and license those persons who undertake for compensation to provide equipment and personal services to such persons, for the explicit purpose of safeguarding the health, safety, welfare and freedom from injury or danger of such persons, in the exercise of the police power of this state. It is not the intent of this legislation to interfere in any way with the business of livestock operations, private property rights, nor to prevent the owner of pack animals from using same to accommodate friends where no consideration is involved for the use thereof, nor is it the intent of this legislation to interfere in any way with the right of the general public to enjoy the recreational value of Idaho's deserts, mountains, rivers, streams, lakes, reservoirs and other natural resources when the services of commercial outfitters and guides are not utilized, nor to interfere with the right of the United States to manage the public lands under its control.

36-2102. **DEFINITIONS.** (a) "Person" includes any individual, firm, partnership, corporation or other organization or any combination thereof.

(b) "Outfitter" includes any person who, while engaging in the acts enumerated herein: (1) advertises or otherwise holds himself out to the public for hire; (2) provides facilities and services for consideration; and (3) maintains, leases, or otherwise uses equipment or accommodations for compensation for the conduct of outdoor recreational activities limited to the following: hunting animals or birds; float or power boating on Idaho rivers and streams; fishing on Idaho lakes, reservoirs, rivers and streams; and hazardous desert or mountain excursions. Any firm, partnership, corporation or other organization or combination thereof operating as an outfitter shall designate one (1) or more individuals as agents who shall, together with the licensed outfitter, be held responsible for the conduct of the licensed outfitter's operations and who shall meet all of the qualifications of a licensed outfitter.

(c) "Guide" is any natural person who is employed by a licensed outfitter to furnish personal services for the conduct of outdoor recreational activities directly related to the conduct of activities for which the employing outfitter is licensed. Any such person not employed by a licensed outfitter who offers or provides facilities or services as specified in subsection (b) of this section shall be deemed in violation of the provisions of this chapter, except: (1) any employee of the state of Idaho or the United States when acting in his official capacity, or (2) any natural person who is employed by a licensed outfitter solely for the following activities: caring for, grooming or saddling of livestock, cooking, woodcutting, and transporting people, equipment and personal property on public roads shall be exempt from the provisions of this chapter.

(d) "Board" means the Idaho outfitters and guides licensing board.

(e) "Resident" means a person who has resided in the state of Idaho for a period of six (6) months next preceding the time of application for license.

(f) "Nonresident" means any person not included in subsection (e) of this section.

(g) "License year" means that period of time beginning on April 1 and expiring March 31 the following year. (3-31-17)

36-2103. **EXCEPTIONS.** (1) The foregoing definitions of the terms "outfitter" and "guide" do not include:

(b) A person who furnishes, rents or leases, whether or not for compensation or gain or promise thereof, a pack or saddle horse, or other equipment, to a hunter or a fisherman. A person so furnishing, renting or leasing a pack or saddle horse or other equipment, shall not be considered an "outfitter" or "guide" if, on an incidental basis, they accompany a hunter, not to include extended camping, for the purpose of maintaining the safety and well-being of the livestock used to retrieve harvested big game; or

If the members of the nonprofit organization provide outfitting or guiding services to persons who are not its members and leaders, the provisions of this chapter shall apply to that organization, its members and leaders.

(2) A person who obtains permission to outfit or guide on private property from the property owner is required to be licensed as an outfitter or guide unless the terms of a written agreement with the property owner do not require licensure.

TITLE 6 - ACTIONS IN PARTICULAR CASES

CHAPTER 12 - RESPONSIBILITIES AND LIABILITIES OF RECREATIONAL PARTICIPANTS AND OUTFITTERS AND GUIDES

6-1201. Legislative purpose. Every year, in rapidly increasing numbers, the inhabitants of the state of Idaho and nonresidents are enjoying the recreational value of Idaho's mountains, rivers, and streams, many of which are remote and far removed for ordinary auto travel. The tourist trade is of vital importance to the state of Idaho, and the services offered by licensed outfitters and guides significantly contribute to the economy of the state of Idaho. The legislature recognizes that there are inherent risks in the recreational activities provided by outfitters which should be understood by each participant. These risks are essentially impossible to eliminate by outfitters and guides. It is the purpose of this chapter to define those areas of responsibility and affirmative acts for which outfitters and guides shall be liable for loss, damage, or injury, and to define those risks which the participant expressly assumes and for which there can be no recovery.

6-1202. Definitions. (a) "Outfitter" shall include any individual, firm, partnership, corporation, or other organization or any combination thereof as defined in section 36-2102(b), Idaho Code.

(b) "Guide" shall include any person defined in section 36-2102(c), Idaho Code.

(c) "Participant" shall include any person using the services of an outfitter or guide licensed under chapter 21, title 36, Idaho Code.

6-1203. Duties of an outfitter. All outfitters offering professional services in this state shall provide facilities, equipment, and services as advertised or as agreed upon between the outfitter and the participant. All services, facilities, and equipment provided by outfitters in this state shall conform to safety and other requirements set forth in chapter 21, title 36, Idaho Code, and by the rules promulgated by the Idaho outfitters and guides board created by chapter 21, title 36, Idaho Code.

6-1204. Duties of a guide. Any guide providing personal services for an outfitter in this state shall conform to the standard of care expected of members of his profession and he shall comply with all duties and requirements placed on him by chapter 21, title 36, Idaho Code, and by the rules promulgated by the Idaho outfitters and guides board created by chapter 21, title 36, Idaho Code.

6-1205. Duties of participants. It is recognized that some recreational activities conducted by outfitters and guides are hazardous to participants regardless of all feasible safety measures which can be taken. Participants shall have a duty to act as would a reasonably prudent man when engaging in recreational activities offered by licensed outfitters and guides in this state. Participants shall have a duty not to:

(a) Do any act which shall interfere with the running or operation of an outfitter's or guide's activities, when such activities conform to the rules of the Idaho outfitters and guides board and to the requirements of chapter 21, title 36, Idaho Code;

(b) Use any outfitter's or guide's equipment or facilities or services if the participant does not have the ability to use such facilities or equipment or services safely without instructions until the participant has requested and received sufficient instruction to permit safe usage;

(c) Engage in any harmful conduct, or willfully or negligently engage in any type of conduct which contributes to or causes injury to any person;

(d) Embark on any self-initiated activity without first informing the outfitter or guide of his intentions and receiving permission from the outfitter or guide to engage in such self-initiated activity.

6-1206. Liability of outfitters and guides. (a) No licensed outfitter or guide acting in the course of his employment shall be liable to a participant for damages or injuries to such participant unless such damage or injury was directly or proximately caused by failure of the outfitter or guide to comply with the duties placed on him by chapter 21, title 36, Idaho Code, or by the rules of the Idaho outfitters and guides board, or by the duties placed on such outfitter or guide by the provisions of this chapter.

(b) The limitations on liability created by this chapter shall apply only to outfitters or guides appropriately licensed under the provisions of chapter 21, title 36, Idaho Code, and only when the outfitter or guide is acting within the course of his employment. In the event that there is damage or injury to a participant by the action of an outfitter or guide, and there is no exemption for liability for such outfitter or guide under the provisions of this act, the rules of negligence and comparative negligence existing in the laws of the state of Idaho shall apply.

specific operating area(s) for each activity, and be based on an operating plan acceptable to the Board. In order to safeguard the health, safety, and welfare of the public and for the conservation of wildlife resources, the Board may place a limit on the number of outfitter licenses issued within an operating area. An outfitter may not operate in an area for which there is no landowner or land manager statement where applicable. The outfitter shall operate only under the names licensed by the Board and under no other names. An outfitter business that is a corporation, partnership, LLC or LLP must have a Designated Agent in order to be licensed and to operate. (4-11-06)

Complete responsibility includes providing liability insurance to cover the client, collection of fees paid for the activity(ies), payment of user fees and taxes, and making the client aware as to who is the responsible outfitter(s). Such unlawful activity(ies) shall be grounds for discipline as unethical and unprofessional conduct in addition to any other penalties which may be assessed for violations of these rules or the laws of the state of Idaho. (10-15-88)

024. STANDARDS FOR NON-USE.

An outfitter license is a publicly issued license enabling the holder to provide outfitted and guided services to the public. Because many outfitters operate on public lands and waters, there is an expectation that these services be provided adequately and that the public's natural resources are utilized appropriately. It is important to determine whether the outfitter is providing, or attempting to provide, the public service intended. It is recognized that there are various factors outside the control of an outfitter that may affect an outfitter's business operation. These rules establish the process used by the Board to monitor the use of outfitter assigned activities and operating areas, to determine the causes for outfitter inactivity, and to fairly administer identified remedies when this service is inadequately provided or the resource is inadequately used. The Board will prioritize the need for action on non-use based on, among other factors, interest or demand for the particular activity or area. (4-11-06)

01. Requirement. The Board may annually review the outfitter's use reports for the preceding three (3) years to determine whether any licensed activity or operating area fall within non-use. If the outfitter falls within non-use, a "notice of non-use" may be issued to the outfitter. (4-11-06)

02. Definitions. (4-11-06)

a. Non-use. When an outfitter is making zero (0) or negligible use of major licensed activities for any two (2) of the three (3) preceding years unless the lack of use is due to an act of nature or because of state or federal agency restrictions on hunting or fishing that limit the ability of the outfitter to seek and accommodate clients; (4-11-06)

b. Zero (0) use. No recorded use by an outfitter of their licensed area or activities;(4-11-06)

c. Negligible use. An unreasonable lack of use as determined by the Board for any one (1) or more of the particular activities in the assigned operating area. Typically, use may be determined by comparison of use levels for the same activity(s) in similar operating areas. Other factors in determining use are found in Subsection 024.04. (4-11-06)

03. Process. (4-11-06)

a. Outfitters are required to submit use reports each year during the license renewal.(4-11-06)

b. A "notice of non-use" may be issued to an outfitter who appears to be in non-use. The notice shall include the activity(s) and operating area(s) that appear to be in non-use and an explanation of how the determination was made. The outfitter will be given the opportunity to correct the use records by supplying staff with evidence of use, prior to a hearing being scheduled. If adequate proof of use is not provided, the matter will be scheduled for a hearing. (4-11-06)

c. When it is determined by the Board that any activity or operating area has had zero (0) use or negligible use, certain requirements may be imposed by the Board up to and including revocation of some or all of the outfitter's operating areas and activities. (4-11-06)

04. Examples of Acceptable Use: (4-11-06)

a. Paying clients participating in activities occurring within a designated operating area;(4-11-06)

b. Donated trips; (4-11-06)

c. Outfitter initiated applications for controlled hunts in their licensed operating area;(4-11-06)

IDAPA RULES

e. Use in conformance with a current and accepted operating plan. (4-11-06)

05. Required Records. Outfitters may be required to submit client records that include the name, address, and date of activity of individual clients or groups for a period of three (3) consecutive years. (4-11-06)

06. Non-Use During a Sale. Board staff shall review all full or partial business sales for non-use. If it is determined a major activity or operating area has had zero (0) or negligible use, the Board may review the sale and the issuance of a license may be denied. In some instances the Board may approve the sale with notification to the buyer that use must be established within the following two (2) out of the next three (3) years or the area or activity may be removed from their license. (4-11-06)

07. Waiver of Compliance. The Board may waive compliance with the non-use standard upon a showing of good cause. Waivers of non-use may be issued when the lack of use is a result of an act of nature, or by state or federal agency seasonal restrictions on hunting or fishing that limit the ability of the outfitter to seek and accommodate clients. Waivers may also be considered when personal circumstances such as illness or injury limit the ability of the outfitter to seek and accommodate clients. Non-use waivers must be applied for prior to the beginning of the license year or immediately upon the advent of extenuating circumstances. If a federal permit holder is requesting zero (0) or negligible use, the request for a waiver must be accompanied by a Land Manager's Statement. (4-11-06)

025. OUTFITTER RENEWAL.

Every application for license renewal must include: (3-1-86)

01. Operating Plan. A proposed operating plan if any amendment to the existing operation is sought. (3-1-86)

026. OPERATING AREA ADJUSTMENTS.

An outfitter's operating area may be adjusted for reasons of wildlife harvest, where territorial conflict exists, or for the safety of persons utilizing the services of outfitters. (10-15-88)

01. Hearing. If the Board determines that a hearing is necessary prior to the adjustment of a licensee's operating area, such hearing shall be conducted in accordance with the Idaho Administrative Procedures Act, Title 67, Chapter 52, Idaho Code, and all affected parties shall be afforded an opportunity to participate. (3-30-01)

02. Consideration. In determining whether to adjust an operating area for reasons of wildlife harvest, the Board or the hearing officer shall consider, among other things, the following: (10-15-88)

a. Any changes in wildlife harvest, including any increase or decrease in wildlife harvest attributable to the licensee's activity(ies). (10-15-88)

b. Any new limitation(s) imposed or recommendation(s) made regarding wildlife harvest in the operating area(s) by any governmental agency since the issuance of the license. (10-15-88)

d. Any environmental or operational factors that indicate which licensee will be able to make the best use of the disputed area in providing services to the public considering, among other things, each licensee's licensed activity(ies) and the relationship of that activity(ies) to the activity(ies) conducted in the disputed area, each licensee's total operating area, the financial stability of each licensee, and the accessibility of the disputed area from adjacent operating area(s). (10-15-88)

e. Any recommendation(s) submitted by any governmental agency that regulates or manages land or wildlife within the disputed area. (10-15-88)

04. Safety Adjustment. In determining whether to adjust an operating area for reasons of safety of persons using the services of an outfitter, the Board or hearing officer shall consider, among other things, the following: (10-15-88)

a. Any change(s) in the environmental condition(s) in the area that may pose a threat to the health and safety of persons using the operating area. (10-15-88)

(4-11-06)

06. When an Operating Area Is Relinquished by the Licensee. If an existing operating area (hunting, boating, or other) is relinquished by the licensee, the Board (if it deems it advisable to relicense the area) shall publicize the area's availability and accept written applications for a thirty (30) day period of time from the date of public notice from those persons wishing to be licensed to the area. The Board shall then consider the qualifications of all applicants and license the area to the candidate determined to be most qualified.
